

# **HSA-Alt Training Test Paper Response Option Training Materials**

## **Grades 3 ELA and Mathematics**

This document contains the paper response option cards and paper test visuals for use with the HSA-Alt Training Tests in ELA and Mathematics for Grade 3.

To practice using the paper response option cards and paper test visuals with a student who will be using this format for the operational testing, print this entire document using the two-sided print settings on your printer. The test name and corresponding item number will then be printed on the back of each page.

**Notes:** Not all training test items will have a corresponding printed test visual. Additionally, the training tests contain item types that will not be used for students testing with the paper response option format during operational testing. These item types will not have paper response option cards or paper test visuals in this packet.

Item 2

Fish swim in groups called schools.

Turtles live in the same areas as fish.

Some people like to eat fish for dinner.

This fish has blue teeth and changes color.
