

HSA-Alt Code of Ethics

Exhibit the highest degree of professional ethics.

Follow all test security and test administration procedures.

Ensure that only certified Test Administrators administer the test.

Do not provide instruction with the sole intent of increasing test scores.

Provide HSA-Alt students with online training test opportunities prior to testing.

- **Demonstrate tool use: ear icons for reading the prompt and answer options, and speaker icons for re-reading ELA passages.**
- **Consider modeling metacognitive test-taking strategies for students.**

Plan for and include appropriate IEP-aligned accessibility supports during testing, including consideration of a student's familiar communication system.
