Introduction to this User Guide

This user guide supports users of the Data Entry Interface (DEI). The DEI is a component of the Online Testing System that allows authorized users (the Test Administrator (TA-ALT) and Second Raters) to enter student assessment data, such as item responses and scores. This introduction describes the contents of this document and includes a key for identifying icons and elements found throughout the guide.

User Guide Content

This user guide provides information about the following sections:

- [Section I. Logging in to the Data Entry Interface](#), explains how to access the DEI.
- [Section II. Accessing the Student’s Alternate Assessment](#), explains how to enter student information and select the appropriate tests and forms.
- [Section III. Understanding the Data Entry Interface](#), describes the layout of the DEI.
- [Section IV. General Test Rules and Navigation](#), explains how to navigate through the test and submit it for scoring.

Table 1. Key Icons and Elements

Icon	Description
	Warning: This symbol accompanies information regarding actions that may cause errors.
	Alert: This symbol accompanies important information regarding a task that may cause minor errors.
	Note: This symbol accompanies additional information or instructions of which users must take note.
	Policy: This symbol accompanies information regarding test administration policies.

Additional Resources

The following publications provide additional information:

- For information about which operating systems and browsers are supported, see the *System Requirements* document
- For information about student and user management, and rosters, see the *TIDE User Guide*.
- For information about administering the paper/pencil HSA Alternate Assessments, see the *Spring 2017 HSA-Alt Paper/Pencil Directions for Administration*.

- For information about network and internet requirements, and general peripheral and software requirements, see the *Technical Specifications Manual for Online Testing*.
- For information about installing secure browsers, see the *Secure Browser Installation Manual*.

The above resources are available on the Hawai'i Statewide Assessment Program Portal (alohahsap.org).

About Testing Policies and Procedures

This document describes the features and functions of the Data Entry Interface. It does not provide information about test administration policies and procedures. For information about policies and procedures that govern secure and valid test administration, see the *Spring 2017 HSA-Alt Test Administration Manual* and the *Spring 2017 HSA-Alt Paper/Pencil Directions for Administration* available on the Hawai'i Statewide Assessment Program Portal (alohahsap.org).

Section I. Logging in to the Data Entry Interface

Access to the Data Entry Interface is via the HSAP Portal. To access this site, you must have an authorized username and password.

- Test Administrators and Second Raters involved in paper/pencil test administration must have an "HSA-ALT" user account in TIDE in order to access the DEI. Please consult with your school Test Coordinator if you are unsure of your user role in TIDE or if you need to be added to TIDE as an "HSA-ALT" user.
- TAs and Second Raters must have attended a face-to-face training session **OR** have completed the online HSA-Alt TA Certification Course for Paper/Pencil Administration before they can access the Data Entry Interface. (The certification course can be found using the Training Sites link found in the Teachers or Test Coordinators/Administrators section of the HSA-ALT page at alohahsap.org).
- Users with the "TA" role in TIDE will be able to access to the online administration of the HSA-Alt. However, users must also be entered into TIDE in the role of TA-ALT to access the DEI system used for the Paper-Pencil administration of the assessment.

Accessing the Data Entry Interface (DEI)

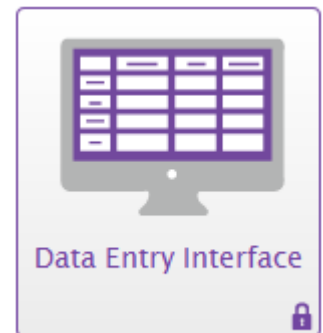

1. Navigate to the HSA-Alt Portal at alohahsap.org/HSA_ALT.
2. Select your user role.

Figure 1. User Cards

3. Select **Data Entry Interface**. The login page appears.

Figure 2. DEI card

4. Enter your username and email address.

5. Click **Secure Login**.

For more information about user roles, consult the resources available on the portal.

Figure 3. Login Page

The screenshot shows a login form with two input fields: 'Email Address' (with a person icon) and 'Password' (with a lock icon). Below the password field is a red link for 'Forgot Your Password?'. A dark blue button labeled 'Secure Login' is positioned below the form. Underneath the button, there is a section titled 'First Time Login This School Year?' with a message stating 'The password you used during the previous school year has expired.' and a red link for 'Request a new one' for this school year.

About Usernames and Passwords

Your username is the e-mail address associated with your account in the Test Information Distribution Engine (TIDE). When you are added to TIDE, you receive an email containing a temporary password and a login link for the HSAP systems. To activate your account, you must log in within 3 days of receiving the email. You must update your password and set a security question.

- **If your first temporary password expired or your old password no longer works:**

Select **Request a new one** on the login page to request a new temporary password. Enter your email address in the *Email Address* field. The HSAP Help Desk will send you a new email with a new temporary password.

- **If you forgot your password:**

Select **Forgot Your Password?** on the login page and then enter your email address in the *Email Address* field, click **Next** and answer the security question on the following page. The HSAP Help Desk will send you an email with a new temporary password. If you do not remember the answer to your security question, you will need to contact the HSAP Help Desk for assistance. See “Additional help” below.

- **If you did not receive an email containing a temporary password:**

Check your spam folder to make sure your email program did not categorize it as junk mail. If you still do not have an email, contact your School Test Coordinator to make sure you are listed in TIDE.

- **Additional help:**

If you are unable to log in, contact the HSAP Help Desk for assistance. You must provide your name and email address. Contact information is available in the [User Support](#) section of this user guide.

Section II. Accessing the Student's Alternate Assessment

This section explains how to verify student information and select the correct test and form.

Step 1 – Entering Student Information

After you log in to the Data Entry Interface, the **Enter Student Information** page appears. On this page, you should enter the login information for the student being tested.

Figure 4. Enter Student Information Login Page

To enter a student's information:

1. In the *Student First Name* field, enter the student's first name as it exists in TIDE (keep in mind, some students' "first name" might include more than one name or a hyphenated name).
2. In the *Student ID* field, enter the student's ten-digit SSID (e.g., 999999987).
3. Click **Sign In**.

Notes: The DEI generates an error message if you cannot sign in. The following is the most common student login error.

Student Name and ID Do Not Match: Verify that you correctly entered the SSID and first name. If this does not resolve the error, consult the student's record in TIDE to verify the first name associated with the student's SSID.

Step 2 – Verifying Student Information

After logging in, the *Is This the Student?* page appears. On this page, you can verify the student's information is correct.

Figure 5. Is This the Student? Page

Is This the Student?

Please review the following information.

First Name: Demo
SSID: 99944473
Last Name: Student
Grade: 06
Date of Birth: February 22, 2003
School: Demo School AZ 1

Next Step:
If the student's information is correct, choose **Yes**. If not, choose **No**.

To verify the student's personal information:

- If all the information is correct, click **Yes**. The **Available Tests** page appears.
- If any of the information displayed is incorrect, do not proceed with the data entry for this student. Click **No**. You must notify the appropriate school personnel that the student's information is incorrect. Data entry cannot begin until this information is corrected.

Step 3 – Selecting the Test

The **Available Tests** page displays the tests available for data entry. On this page, you can select the test for the student.

Figure 6. Available Tests Page

Next Step:
If you wish to log out, select **Back to Login**.

[Back to Login](#)

Available tests are shaded green and have an arrow indicating whether you are entering data for a new test or resuming a test entry.

- **Start** indicates that you are beginning data entry for this test.
- **Resume** indicates that you are resuming data entry for this test.

Inactive tests are shaded gray. These are tests that have already been completed.

Notes: Prior to entering scores into the DEI the Test Administrator (TA-ALT) must complete the Learner Characteristics Inventory (LCI). When the TA-ALT first logs into the DEI for each student, the LCI (circled in red above) will be the only available test option on the **Available Tests** page.

Follow the instructions in this guide to complete and submit the LCI form. See "Done Reviewing Assessment" below for additional information about returning to this page once the LCI form has been submitted.

Once the LCI form has been submitted, the remaining HSA-Alt test forms for the student will be available for score entry, as shown above.

Important: Only the student's Test Administrator should complete the LCI Form. Second Raters should notify the student's Test Administrator if the LCI Form is the only form available on the **Available Tests** page. Second Raters **should not** select the LCI Form or enter any data for that form.

Important: All students who take the paper/pencil version of the HSA-Alt will require a second rater, so additional tests will appear on this screen. **Second Raters must select the content area tests with the words "Second Rater" in the test name.** Test Administrators must select the content area tests **without** the words "Second Rater" in the test name. Both Test Administrators and Second Raters should check to ensure they are selecting the correct test. If no tests appear for the student, confirm the student's test eligibility in TIDE.

To select an available test:

- Click the test name. The **Choose a Test Form** page appears.
- If the tests available for the student are not correct, click **Back to Login**. Verify that the grade associated with the student reflects the correct grade band. The list of tests is determined by the grade associated with the student's record in TIDE.

Step 4 – Confirming the Test and Selecting the Test Form

After you select a test, a session ID automatically generates. The session ID can be used to look up test information in the Online Reporting System. The **Choose a Test Form** page displays the session ID and the test you selected. On this page, you can select the test form for the student.

Figure 7. Choose a Test Form Page

Next Step:
To use this test form, choose **Next**. To return to the Login page, choose **Back to Login**.

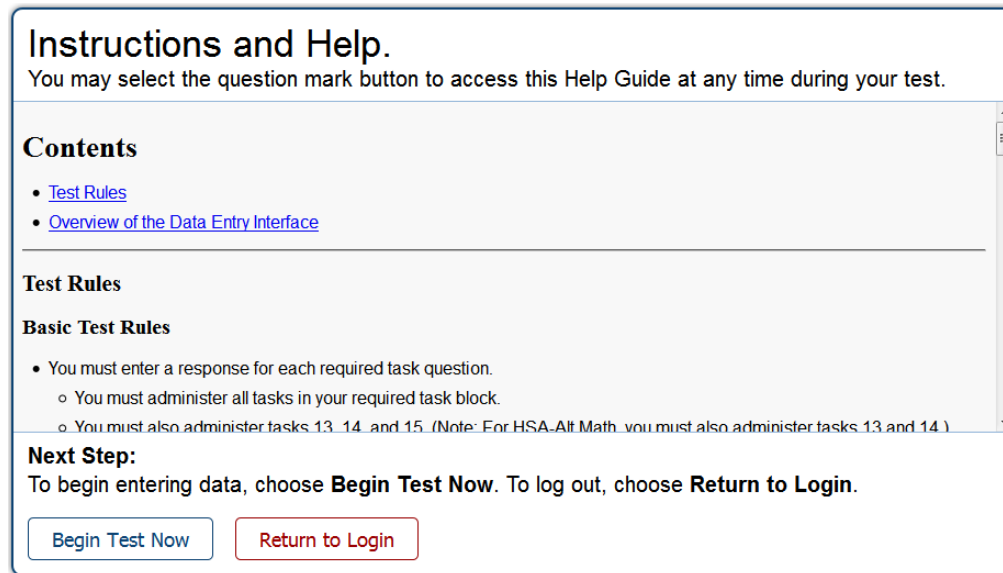

To select a test form:

1. From the *Test Forms* drop-down list, select the appropriate form. The name of the test form should begin with the word "Paper."
2. Click **Next**.

Step 5 – Test Instructions and Help

After selecting a test form, the **Instructions and Help** page appears. On this page, you can review the rules of the Data Entry Interface and its available tools.

Figure 8. Instructions and Help Page

To proceed and begin data entry:

1. Review the information on this page to understand the available test tools and how to navigate through the Data Entry Interface.
2. After you have finished reviewing this page, click **Begin Test Now**. The test data entry session officially begins or resumes.

Section III. Understanding the Data Entry Interface

[Figure 9](#) displays a sample test page. Some pages may have only one item, and others may have multiple items. You must select the appropriate response option for each item. The DEI system automatically captures and saves the response data when you enter it.

Figure 9. Sample Test Page

The screenshot shows a test page with the following elements:

- Navigation Bar:** Includes a 'Questions: Task 13' dropdown, 'AASCD ELA Grade 3-5 (78 out of 78) LASTB', a 'Help button' with a question mark icon, and navigation buttons for 'Back', 'Next', and 'Pause'.
- Stimulus:** A bar graph titled 'BAR GRAPHS' with three bars labeled A, B, and C. The y-axis ranges from 1 to 5. Bar A is blue and reaches 4, bar B is red and reaches 1, and bar C is green and reaches 2.
- Question:** 'Show (tell) me, what label is the title: Favorite Animal, dog (indicate the word dog on the graph), or one (indicate the 1 on the graph)?'
- Response Options:**
 - ② 2 points, Correct on Try 1
 - ① 1 point, Correct on Try 2
 - 0 points, Incorrect on Try 2
 - Ⓝ NR, No Response
 - Ⓐ Blind
- Additional Tools:** A 'Stimulus context menu' (hamburger icon), 'Zoom buttons' (Zoom Out, Zoom In), and an 'Item context menu' (hamburger icon).

Test Tools

The DEI has several on-screen tools that support users' needs. These include global tools and context menu tools. Global tools are those available on every page in the top banner. Context menu tools are available for each item and stimulus on the test.

Global Tools

- The question mark [?] button in the upper-right corner opens the *Instructions and Help* page.
- **Zoom** buttons allow you to magnify font size. Multiple zoom levels are available.
- The **Questions** drop-down list enables you to quickly return to a specific item page. Marked pages display (marked) in this list.
- The **Pause** button allows you to pause the test. Pausing a test logs you out of the DEI. When you return to the test, you are directed to the first page with unanswered items.
- The navigation buttons in the upper-left allow you to move between test pages.

- The **Finished** button appears after you respond to all required items. To start the test submission process, click  in the top banner.

-

Expand/Collapse Passage Tool

When items are associated with a stimulus, you can expand the stimulus section, so that it overlaps the item section.

- To expand the stimulus section, click  in the corner of the stimulus section.
- To collapse the stimulus section, click  again.

Section IV. General Test Rules and Navigation

This section describes how to navigate a test, pause data entry, end a test, and submit a test for scoring.

Navigation and Pause Rules

You may review items before pausing or submitting the test. You may correct the selected responses for items only if you have not submitted the test for scoring.

You may pause tests at any time and return to them later to complete data entry. Tests must be completed and submitted before the end of the test administration window.

Test Timeout (Due to Inactivity)

As a security measure, you are automatically logged out after 30 minutes of inactivity. This pauses the test.

Note: Before the system logs you out, a warning message appears on the screen. If you do not click **OK** within 30 seconds, you are logged out of the DEI.

All scores that have been entered are automatically saved. Pausing the test does not impact any scores that you entered.

Proceeding through the Test

Entering Student Response Data

The DEI will present Task 1 as the first task of the test. The DEI will not automatically determine the correct starting task for your student. Therefore, if your student began at Task 3 or at Task 6, you will need to manually advance to the correct starting task before entering response data. To determine the correct starting and stopping tasks for your student, please refer to the *Spring 2017 HSA-Alt Paper/Pencil Directions for Administration*.

You must enter student response data for each required item on a page before proceeding to the next page in the test. After you select response options for the required items on a page, click **Next** to go to the next page. To return to a previous page, click **Back**.

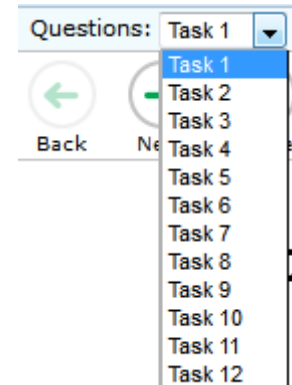

Policy Reminder: This user guide does not provide information about test administration policies and procedures. Please consult the directions in the *Spring 2017 HSA-Alt Test Administration Manual* and the *Spring 2017 HSA-Alt Paper/Pencil Directions for Administration* to learn about procedures for responding to items and completing a test in the Data Entry Interface.

Navigating to Items

You can navigate to items page by page or jump directly to an item page.

- To navigate page by page, click the **Back** or **Next** buttons at the top of the screen.
- To jump directly to the items in a specific task, select the appropriate task from the **Task** drop-down list.

Figure 10. Task Drop-Down

Pausing Tests

You may pause data entry at any time. When you are ready to resume data entry for the test, you must log in and select the test form again. The DEI opens the test to the first page with unanswered items. You may also go back to review or correct the scores for items already entered.

Figure 11. Pause Test Message

To pause data entry:

1. Click **Pause** in the top row. A confirmation message pops up.
2. Click **Yes** to confirm that you want to pause the test.

Completing Data Entry and Reviewing Marked Items

The **Finished** button appears at the top of the screen.

Figure 12. Finished Button

When you click **Finished**, the next page gives you two options:

- Review the data you entered.
- Submit the test for scoring.

 If you wish to review your entries, select a question number below.

Questions:

Next Step:
 When you are done reviewing your entries, select **Submit Test**. You cannot change entries after you submit the test.

Done Entering Data page options:

- To review answers and go back to the test, select an item listed on this page. that were marked for review display a flag  icon. Questions that were not answered display a warning  icon.

Caution: You should only enter responses for items you administered to your student based on the HSA-Alt starting and stopping rules found in the *HSA-Alt Paper/Pencil Directions for Administration*. You **should not** enter data for questions with a warning  icon if your student was not administered those items during the paper/pencil test session(s).

- While you are reviewing the test, the **Finished** button remains on the page. To return to this **Done Entering Data** page, click that button again.
- To complete the testing process, click **Submit Test**. A pop-up dialogue box will appear asking you to confirm your selection. Click **Yes** to submit the test for scoring.

Figure 14. Submit Test Dialogue Box

Warning

Are you sure you're done reviewing this test?

Caution: After you click **Yes** on this dialogue box, the test is officially completed. You cannot log back in and review the data you entered.

Done Reviewing Assessment Page

After you submit the test, the **Done Reviewing Assessment** page appears, displaying the student's name, the test name, and the data entry completion date.

Unless the test score has been suppressed for the student, this page also displays the test score. Please note that scores for HSA-Alt ELA and Math Assessments will not be available for spring 2017 tests until after a required standard setting meeting takes place during the summer of 2017.

Note: Students' scores may be suppressed for operational tests. The "Suppress Score" setting is managed in TIDE. If a student has the "Suppress Score" feature enabled for a subject, then the "This is your score" line does not appear on this screen for that subject test.
